

FISCAL NOTE

SB 2717 - HB 2768

February 14, 1998

SUMMARY OF BILL: Creates the Task Force on Environmental Health and Safety Risks to Children made up of eleven cabinet level officers and co-chaired by the Commissioners of Health and Environment and Conservation. The task force is to exist for four years and is to recommend priorities, research agendas and proposals for public outreach to the Governor. The task force is also to prepare a biennial report on the state's efforts in this area. Requires all department rule-making efforts to include an evaluation on the health or safety effects of the rule on children. The Commissioner of Finance is to chair an interagency forum on child and family statistics to produce an annual report on indicators of well being for children.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Assumes that all data collection and reporting will be done by current staff and with current resources.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
